

Community Participation & Access Compliance Policy v1.0

Issued by: CoreOrbit Systems Ltd.

Official Website: <https://coreorbit.io>

Contact Email: legal@coreorbit.io

Jurisdiction: Surrey, British Columbia, Canada

1. Purpose & Scope

This policy governs how members may access and participate in the CoreOrbit Community, a private, access-controlled platform operated by CoreOrbit Systems Ltd. The community enables interactive learning, events, and collaborative engagement. All access, usage, and participation are conditional upon acceptance of this policy.

2. Role-Based Access & Permissions

Access is granted by invitation or admin approval only. Each user is assigned a role (Admin, Instructor, Member, Student, Guest) determining visible modules. CoreOrbit applies the Principle of Least Privilege—members only access what is required. Admins may modify or revoke access without notice for security reasons, and all activity may be logged for compliance.

3. Member Conduct Requirements

Members must communicate respectfully, avoid hate speech or harassment, and refrain from sharing spam or illegal content. Privacy of others must be respected. Violations may result in account suspension or termination without warning.

4. Intellectual Property

All community content (courses, guides, designs, videos, templates) is owned by CoreOrbit Systems Ltd. Members retain ownership of their own posts but grant a perpetual, royalty-free license for CoreOrbit to display them within the platform. Unauthorized copying or resale is prohibited.

5. Data Protection & Privacy

CoreOrbit complies with GDPR, PIPEDA, and CCPA. Personal data is encrypted in transit and at rest. CoreOrbit does not sell user data. Third-party integrations (YouTube, Zoom, Vimeo) follow their own privacy terms. Users are responsible for safeguarding credentials.

6. Disclaimer & Legal Waiver

By accessing or participating, you waive, release, and forever discharge CoreOrbit Systems Ltd., its affiliates, employees, and contractors from any and all claims or liabilities arising from use or inability to use the platform. CoreOrbit provides the platform 'as-is' without warranties. You agree

to indemnify and hold harmless CoreOrbit Systems Ltd. from any claim resulting from your actions or content. No legal claim or proceeding may be brought against CoreOrbit Systems Ltd. or its representatives for any cause arising from your use of the community or reliance on shared information.

7. Learning, Events & Live Sessions

Participation is voluntary. Certificates are for recognition purposes only and not formal qualifications. CoreOrbit is not liable for decisions or outcomes based on content or advice shared.

8. Moderation, Reporting & Enforcement

Members can report violations to legal@coreorbit.io. Admins may review or remove content violating standards. CoreOrbit reserves discretion to suspend or remove members for misconduct or non-compliance.

9. Policy Updates

This policy may be updated periodically. Continued participation constitutes acceptance of updates.

10. Acceptance & Agreement

By clicking 'Join Community', you confirm that you have read and accepted this policy, acknowledge CoreOrbit Systems Ltd. is not liable for any damages, and agree to abide by all rules, waivers, and access controls described herein.
